

My name is Clinton Kehewin, I am 44 years old and was born in Elk Point, Alberta. I was raised in Kehewin by my parents Irvin and Freda Kehewin. I have two sisters and two brothers, and six year old daughter named Avery. I went to Kehewin Elementary and Junior High before attending Bonnyville Centralized High School in 1989. I graduated with an Advanced Diploma in 1991.

I worked for Kehewin School as a Teacher Assistant from 2004-2008. I then worked at Kehewin Health Services as Medical Transportation Coordinator from 2008-2013. I decided to go back into post secondary studies at Lakeland College in Lloydminster, and completed the Business Administration Diploma Program with major in General Business and Minor in Accounting. Since July 2018 I have been employed with Kehewin Gasification as Accounts Receivable Clerk/Administrative Assistant.

I am running this term for Council for several reasons:

- To be an advocate for the people of Kehewin at the regional and national level, many of our treaty rights such as health benefits are being phased out
- Serve as a public servant and voice for the people of Kehewin
- Seek investment opportunities to generate revenue for the band
- Excellent way to learn more about the people of our nation
- To help the youth of our nation to learn their language and ceremonies, to learn who they really are.
- Seek opportunities that will promote self sufficiency for Kehewin
- Be an advocate for personal healing and growth for our members

I believe my experience working with Kehewin Cree Nation over the years and my business training will be valuable assets if I am chosen to lead our community.
