

Grey-Eagle Cody Cardinal

Tansi niwahkomakanak!

My name is Greyeagle. Kinohkamasik ohci niya. The son of Eugene & Aldina Cardinal, I am 32 years old and have been married to my wife Jodi Cardinal for 10 years. We have three beautiful children- Odessa, WindyBoy and Oksana.

I have been employed in the oilfield since I was 18 and have accumulated over 10 years experience, obtaining numerous tickets along the way including, my Heavy Equipment Operator ticket. I am currently employed with Seven Lakes Oilfield Services.

Born and raised in Kehewin Cree Nation in an environment rich with culture and tradition where we were taught to have respect for all other beings- the two legged, the four legged and the winged, always taught to be respectful of others and my fellow man. I grew up in a cree speaking home, and am able to understand fluently. I was taught how to sing by my father, and I am continually passing on what I've learned to my children. I believe in my culture and that singing is healing, singing is praying, and our language is important. I believe it is important that we continue the fight against drugs and alcohol; but we must take an innovative approach to fighting this battle. I believe with prayer, belief and hard work we can achieve our goals for Kehewin together.
