In summary, I am running for Council because I want to see positive change in our community. We need employment, proper roads, housing, and Elder/Youth/Women Programs. We need proper investment and use of our money. We need to resolve our differences through communication, prayer, forgiveness and caring. I believe we can be number one again. I believe in God with all my heart and I know through prayer, good goals, unity and hard work, Kehewin people will achieve many wonderful things and create a proud, strong, caring community. Thank you and May God Our Creator Bless everyone involved in the Kehewin Elections and all Kehewin Members. ONCE AGAIN, IT IS TIME FOR CHANGE.
